

# Privacy policy of 3d surgical XR

## Introduction

This Privacy Policy (together with our terms and conditions and any other documents referred to in it) describes the type of information that we collect from you (“you/your”) through our 3d Surgical XR application and how that information may be used or disclosed by us and the safeguards we use to protect it.

## Who we are

Here are our details:

- Our website address is: <https://3dsurgical.com>
- Our company name is: 3d surgical
- Our registered address is: MySegmenter Technologies Inc, 8 The Green Suite # 10588, Dover, DE 19901
- Contact details: [contact@3dsurgical.com](mailto:contact@3dsurgical.com) , +1 302 549 2288

We respect your right to privacy, and we know that your privacy is important to you, and we work hard to earn and keep your trust. 3d Surgical XR respects your privacy and is committed to protecting your privacy through our compliance with this Privacy Policy.

This Policy describes:

- The types of information we collect from you or that you may provide when you visit our application from oculus app lab as well as from our official website directly owned by the Company (collectively, our “Website”).
- Our practices for collecting, using, maintaining, protecting, and disclosing that information.

Please read this Policy carefully to understand our practices regarding your information and how we will treat it. If you do not agree with our policies and practices, then please do not use our application. By using our application you agree to the terms of this Policy. This Policy may change from time to time (see below, “Changes to this Policy”). Your continued use of our application after we make changes is deemed to be acceptance of those changes, so please check the Policy periodically for updates.

## Collection and use of personal information

We don’t collect any data from the user. Personal identifier such as first and last name, address, email address, phone number, Geographical data such as GPS, online identifiers such as IP address, MAC address are also not collected.

In short, we would like to inform you that “we don’t track you, we don’t profile you”.

The goal of this app is to democratize complex surgery training in virtual reality. Where we don't need to store your data.

## Contact forms

If you submit the contact-us form available on <https://www.3dsurgical.com/contact>, we ask your name, email id, subject, and a message that you want to convey to us. We may use this information to contact you and respond to your requests or questions.

## Integration of third-party tools

3d surgical XR may contain 3d party tools and plugins. Note that these external tools and plugins are not operated by us. Therefore, we have no control over, and assume no responsibility for the content, privacy policies, or practices of any third-party plugins or services.

## Children's Privacy

This app is to democratize complex surgery training in virtual reality, so our service does not address anyone under the age of 13.

## Changes to this Policy

This Privacy Policy was last updated on 17.11.2022. This Policy describes our current policies and practices with regard to the information we collect through 3d surgical XR. We are continually improving and adding to the features and functionality of this 3d surgical XR. We will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately, after they are posted on this page. Please check our site periodically for updates.
